

Account Services Positions

We are seeking account coordinators and executives at **tag**. You will support the account service teams on a wide range of amazing clients, fulfilling various duties to assist in keeping workflow on track and moving projects forward.

You'll gain experience working on national brands, in addition to the exposure of various mediums such as broadcast, print, digital, social and more, to assist in all aspects of campaign development.

Desired Skills:

- Previous agency experience is a plus, but not required
- Marketing or Advertising program degree/diploma
- Excellent written and communications skills
- Extremely organized
- High attention to detail
- Problem-solver
- Eager to learn
